Action Taken Report

Name of the Stakeholder: Alumni

A staff meeting has been convened by IQAC with all the in-charge/heads of the departments under the chairmanship of the principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The heads of the department in turn have conducted a meeting in their department and explored the possibility of action plan to be implemented in accordance with the demands of the stake holders.

Alumni Feedback above 90% is considered as a positive feedback and below that as a negative feedback and we are working for the improvement. Out of Seven Questions, concerns were expressed only on Three Questions while on the other Four Questions got positive feedback on which we will continue the same rigor to maintain the same output.

S.NO	Questionnaire	Feedback/ Concern	Percentage	Action To be Taken
1	How do you rate the curriculum and syllabus content are suitable for your placement /higher education	Excellent	100.0	We will continue with same quality and care to maintain similar output
2	What is the impact of co-curricular activities arranged during your campus life?	Excellent	94.3	We will continue with same quality and care to maintain similar output
3	How do you rate the availability of relevant reading materials and digital resources in the library?	Excellent	94.3	We will continue with same quality and care to maintain similar output
4	How do you rate experiential learning (hands-on)of the course	good	77.1	We will continue with same standard and will further focus on improvising experiential learning.

Name of the Stakeholder: Alumni

A staff meeting has been convened by IQAC with all the in-charge/heads of the departments under the chairmanship of the principal to bring feedback analysis to their notice with a request to find out the possibility for effective changes offered by their respective departments.

The heads of the department in turn have conducted a meeting in their department and explored the possibility of action plan to be implemented in accordance with the demands of the stake holders.

Alumni Feedback above 90% is considered as a positive feedback and below that as a negative feedback and we are working for the improvement. Out of Seven Questions, concerns were expressed only on Three Questions while on the other Four Questions got positive feedback on which we will continue the same rigor to maintain the same output.
