To

Dr. N V Ramana Garu,

Principal,

JNTUH College of Engineering Jagtial.

Sir,

Sub: - Request for allotment of 7 days for scheduling Soft Skills – POP session and Aptitude & Reasoning training in your college for **219** TASK-registered IV year students from **11th July, 2016** - Reg.

Thank you so much for renewing your college registration with Telangana Academy for Skill and Knowledge (TASK) for the academic year 2016-17. In your college **219** IV year students have already registered with TASK. TASK will provide Soft Skills – POP session as we did last year and starting this year we would also provide Aptitude & Reasoning sessions for these registered students from 11th July 2016. We need a total of 7 days to run these sessions on a CRT model with a batch size of 60 - 65 students in each class. Hence, please give us 4 days schedule for Soft Skills – POP session and 3 days for Aptitude & Reasoning sessions back to back starting **11th July, 2016**.

TASK supports Telangana Government's vision of enhancing employability quotient of students in all districts and enable them choose multiple avenues as they graduate. The training is integrated into the academic calendar and will be offered by highly competent trainers with industry experience. These training sessions are scheduled on modules of Personal Skills, Organizational Skills etc. Based on the request received from the colleges Technical offerings will be provided to the students through technical partners associated with TASK. Registered students will be given access to e-learning modules too.

Student registrations will be open on 16th June 2016 and end by 20th July 2016. Please communicate to your students who have not registered with TASK to register by making online payment at the earliest.

Subject: Details | Online FDP on Networking Simulation (MANET, WSN & IOT) using NetSim Software
To: <sateeshbkumar@gmail.com>
Cc:

Dear Dr. B Sateesh Kumar,

This is with reference to your interest shown for the "Online (FDP) Faculty Development Programme on Networking Simulation (MANET, WSN & IOT) using NetSim Software". We, all at DELLSOFT are pleased to accept your registration for the same and forwarding you the processes of organizing this event at you esteemed institution successfully,

STEP 1 :

Please identify a Lab/Classroom/Conference room where you have LCD projection & Audio facility to communicate with presenter during FDP.

STEP 2 :

We're sending you the link of the session: 14th September, 2017 - 10:30 AM - 01:00 PM (Link : <https://attendee.gotowebinar.com/register/23828202724323331>), please use this link in the PC which is connected with the LCD Projector and Audio facility. Please setup the things 10-15 Min before the session so that it can be organized swiftly.

STEP 3 :

Please find attached following:

- Participant's info sheet (To be filled & send us in **softcopy** which can enable us in sending participants certificates accordingly)
- Attendance sheet (To be signed during session, you can send us the **scan copy** of the same)
- Few photograph template (You may also create your own banners, click few photographs & send us)

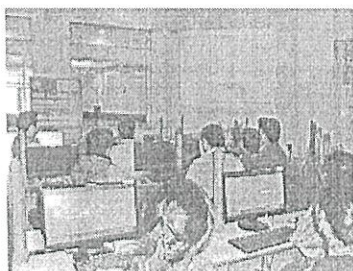

We believe the information shared is in line with your requirement to understand know how of organizing it. If you still have any queries please feel free to contact us.

Looking forward to your active participation.

Thanks and regards

team DELLSOFT
