Dear Sir.

Being the citizens of the great nation, we have social responsibility of educating our public regarding the bad consequences of CORONA Virus if one ignores the suggestions given by our Government.

In this context, JNTUHCEJ- NSS Unit is organizing CORONA awareness program under NSS activity. Before educating our public we should be trained and be qualified. Please click the link <http://covid.jntuhcej.in> . Answer the questions and get a signed e-certificate.

Your interest in this awareness program is the first move in discharging our social responsibility.

Please forward this message and link to students and staff.
