About The College

JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY HYDERABAD UNIVERSITY COLLEGE OF ENGINEERING JAGTIAL (JNTUHUCEJ) was established in the year 2007, Hyderabad with five different branches, viz., EEE, ME, ECE, CSE & IT. JNTUHUCEJ aims to be an institute of excellence in training the student to meet the global needs and is supported by highly qualified and well experienced professors drawn from research and industry background. The location of the sprawling campus surrounded by lush green hills, temples and academic ambience uploads the traditional and culture values among the students.

About the Department

The Department of INFORMATION TECHNOLOGY is offering B.Tech & M.Tech (IT) courses with an intake of 66 and 18 students each respectively. the department is equipped with well furnished laboratories. The faculty members are highly qualified with vast academic and industrial experience.

About the Symposium (CEZAR 2022)

CEZAR 2022 is an authority in generating globally acclaimed Engineers. The mission behind laying the foundation is to strive in producing technically trained superior human resources to serve the present and future global needs by providing an excellent platform for interaction, knowledge sharing and talent showing.

Scope and Topics

The areas to be covered in the symposium include, but not limited to:

- ~Block chain Technology
