CONFLUENCE OF MINDS : *The BoS Meetings.....*

The Board of Studies meeting

20th JAN , 2024:

One of the significant milestones in the academic journey of our JNTUH UCEJ being Autonomous, starting from the academic year 2023-24, marking a new chapter in our commitment to academic excellence and innovation. The first Board of Studies (BoS) meeting under this autonomous status took place on 20th Jan, 2024, bringing together the BoS Chairpersons of all the Departments, university nominees, member experts, industry professionals, and Department faculty. The primary focus of this meeting was the revision of the JJR23 syllabus across various departments. Through collaborative discussions and valuable insights from diverse perspectives, the proposed changes were thoroughly examined and unanimously approved. This accomplishment reflects our dedication to staying abreast of evolving educational needs and ensuring a dynamic and relevant curriculum for our students. We look forward to the continued success and growth of JNTUH UCEJ in this new phase of autonomy.
