Intensive Voter Awareness Drive

With the successful collaboration between the College NSS Unit – I & II and Nehru Yuva Kendra Sangathan, under the Ministry of Youth Affairs and Sports, Government of India. Together, an impactful Intensive Voter Awareness Drive on March 1, 2024, was organized at the JN Auditorium.

The event aimed to educate and empower individuals about the significance of exercising their right to vote, a cornerstone of democracy. This program instilled a sense of responsibility and awareness among participants regarding their role in shaping the future of our nation through the electoral process.

Celebrating Women's Day: Empowering Students/Faculty Through Sports

In celebration of International Women's Day, the College Physical Education Department, in collaboration with Nehru Yuva Kendra Sangathan, Ministry of Youth Affairs and Sports, Government of India, organized a spirited 100 Meters Running Race on March 9, 2024, at the college football ground exclusively for our female students.

Approximately 25 enthusiastic young women participated in this empowering event, showcasing their athleticism, determination, and spirit. Among them, three remarkable students emerged as the winners, demonstrating outstanding performance and dedication to the race. We are proud to announce the following winners:

- Ms. G. Durga, B.Tech-IT - 1st Prize
- Ms. Ch. Arthika, B.Tech-EEE - 2nd Prize
- Ms. B. Jamuna, B.Tech-EEE - 3rd Prize

Their achievements serve as a testament to the strength, resilience, and potential of women in every sphere of life

India Leads the Charge in Industry 4.0: Prime Minister Modi Inaugurates Semiconductor Projects: Live Telecast by EEE Department

India strides boldly into the era of Industry 4.0, with Prime Minister Narendra Modi spearheading initiatives to bolster the nation's semiconductor industry. In a landmark event titled 'India's Techade: Chips for Viksit Bharat,' Prime Minister Modi inaugurated three semiconductor projects collectively worth approximately Rs 1.25 lakh crore via video-conferencing on March 13, 2024. This significant step underscores India's commitment to technological advancement and self-reliance.

The India Semiconductor Mission (ISM), housed within the Digital India Corporation, stands as a testament to our nation's ambition. Dedicated to fostering a robust semiconductor and display ecosystem, ISM aims to position India as a global leader in electronics manufacturing and design. During the event, Prime Minister Modi laid the foundation stones for the following projects:

India's pioneering Fab facility in Dholera, Gujarat.

OSAT (Outsourced Semiconductor Assembly and Test) facility in Sanand, Gujarat. OSAT facility in Morigaon, Assam.

The occasion witnessed the enthusiastic participation of students from 814 esteemed institutes, including Central Universities, IITs, NITs, IIMs, IISER, IISc, and other premier institutions renowned for research, innovation, and STEM disciplines.

In response to this momentous event, JNTUH University urged all constituent colleges and universities to organize seminars and conferences to ensure live streaming of Prime Minister Modi's address via the YouTube channel @Narendra Modi at 10:30 am on March 13, 2024.

As part of this esteemed initiative, JNTUH UCEJ organized an online telecast program in the department EEE seminar hall. Principal, Vice-Principal, Dr. K. Srinivas, Head of the Department, along with faculty members Sri S. Jagadish Kumar, Smt. V. B. Shalini, Smt. P. Sangeetha, Sri C. Radha Charan, K. Dileep Kalyan, K. Prashanth, D. Jayanth, A. Sangeetha Yamini, heads of various departments, Teaching Staff and students actively participated in the session from 10:30 am to 11:30 am. This historic event marks a pivotal moment in India's journey towards technological self-sufficiency and economic prosperity. Let us unite in our resolve to embrace innovation and pave the way for a brighter future.

Student Spotlight

The selection trials for this esteemed opportunity were conducted at CMREC, Kandlakoya, Medchal, on February 24, 2024.

A total of 72 teams will vie for the championship title in the upcoming All India University Netball Championship scheduled from March 12th to 15th at Sri Siddartha Academy of Higher Education, Karnataka.

Mr. Jarpula Rajasheker(20JJ1A0315), a final year student in the Department of Mechanical Engineering, has earned a prestigious spot on the National Netball Team of JNTUH.

Dr. S. Suresh Kumar, HOD of IT congratulated students(3rd year, IT) on the occasion of taking second place in basketball at Nehru Yuva Kendra competition held on March 9 at Nehru Yuva Kendra competitions with correspondence from government of India, Ministry of youth of affairs and sports.

- Pawan Karthik -21JJ1A1214
- Saikiran -21JJ1A1250

Block Level Sports Meet

The College has successfully organized the Block Level Sports Meet in collaboration with the Nehru Yuva Kendra Sangathan, under the Ministry of Youth Affairs and Sports, Government of India.

This spirited event showcased the athletic prowess and camaraderie of our college students. The Block Level Sports Meet featured three exhilarating games tailored to engage all participants. Among these, football and basketball captured the attention of our male students, while the exhilarating game of throw ball provided our female athletes with a platform to showcase their skills.

With the vision of promoting sportsmanship and physical fitness among our students, the sports meet was a testament to our commitment to holistic development. We extend our heartfelt gratitude to all participants, organizers, and supporters who contributed to making this event a resounding success.

Sl.No	Name Of The event	Runner	Winner	Captains
01	Throw ball (Women)	CSE	EEE	Sadhana (CSE) Poojitha (EEE)
02	Volley ball (Men)	ME	CSE	M.Abhinav (ME) U.Karthik (CSE)
03	Basket Ball (Men)	IT	ECE	Rahul (IT) Shashank (ECE)

Inaugural of One-Week Workshop on “Python for Data Science and Machine Learning” by the Department of CSE (11th -16th March, 2024)

The Department of Computer Science and Engineering (CSE) conducted a One-Week Workshop on “Python for Data Science and Machine Learning”, commenced on March 11, 2024, for II B.Tech. CSE students in the Computing Lab-I of CSE Department. This workshop offered a comprehensive exploration of Python fundamentals, delving into key libraries such as NumPy and Pandas, Matplot and provided practical insights into applying Machine Learning and Deep Learning algorithms utilizing scikit-learn, TensorFlow, and Keras. Participants engaged in hands-on exercises and real-world projects to unlock Python’s vast potential in driving innovation and tackling intricate challenges in the realms of Machine Learning and Data Science. We are glad to have Mrs. T. Sravanthi, a Research Scholar from VNIT, Nagpur, as the esteemed Resource Person for the first three days of the Workshop and the Second Resource person is Mrs. V. Madhavi, Assistant Professor, Vaagdevi Engineering College for the next three days of the workshop.

CAMPUS NEWS BULLETIN

- *Cumulative attendance for the current semester will now be sent via SMS to parents and students every fortnight. This started with I Year II Semester on 12-03-2024 and will extend to II Year II Semester and III Year II Semester soon.*
- *Sports competitions for Sizzles, the annual sports event, will kick off next week. Draws to determine match pairs took place on 13-03-2024 in the presence of the Principal.*
- *The first PG exams in autonomous mode have begun: MTech I Year I Semester examinations in autonomous mode commenced from 05-03-2024 for all three MTech specializations.*

- The football ground is now open for use from 14-03-2024. The temporary concrete structure at the center of the ground has been removed.

- Mr. Uday Kumar, Training & Placement Officer (TPO), represented the college at the “Business Excellence Awards & Conclave” held by UIIC Directorate of the University at Kukatpally campus on 6-3-2024.

TPO News

Student Registrations for TCS iON Employability Readiness Program

(13th March, 2024)

The TPO is pleased to announce that a total of 190 students from IV B.Tech. have registered for the TCS iON Employment Readiness Program. This initiative, spanning 15 days and free of cost, is designed to facilitate the identification of individual strengths, the acquisition of essential skills, and the evaluation of preparedness for corporate environments.

The program encompasses a comprehensive curriculum addressing interpersonal skills, verbal and written communication, interview etiquette, and domain-specific knowledge. Through structured self-assessment activities and practical exercises, participants will undergo a process of skill refinement and gain valuable insights into their readiness for professional engagements.

With its dual focus on soft and technical skills, the Employment Readiness Program equips students with the requisite competencies to thrive in today's competitive job market. The TPO looks forward to witnessing the progression and development of IV B.Tech students as they embark on this transformative journey toward enhanced career preparedness.

NSS News

The Ministry of Culture, Government of India, is hosting a groundbreaking spiritual celebration held on 14th to 17th March at Kanha Shantivanam, Hyderabad. This event, themed "From Inner Peace to World Peace," aims to delve into the evolution of consciousness and its profound influence on social harmony and sustainable development. As part of this momentous occasion, 45 students from JNTUH UCEJ, including 20 girls and 25 boys, representing the NSS Cell JNTUH UCEJ, participated on March 15th. Accompanying them are two faculty members, from Department of ECE, Mrs. G. Sujatha, Assistant Professor (C), and Mr. R. Rajender, Assistant Professor (C), along with one caretaker. The mahotsav promises to carve a new trajectory for global existence while fostering spiritual growth and collective well-being. The President of India, Smt Droupadi Murmu graced and addressed the event. She kept the message that "world as a family" and we should bring about change in ourselves only then try to bring about change in other people. The Participants lauded the event for fostering dialogue, understanding, and unity among different faiths and cultures, promoting a message of peace and interconnectedness. The gathering served as a testament to the power of spiritual collaboration in addressing global challenges and promoting universal values of compassion and tolerance.
