ABOUT THE COLLEGE

JNTUH College of Engineering Jagtial (JNTUHCEJ) was established in the year 2007 as a constituent college of Jawaharlal Nehru Technological University, Hyderabad. The college is recognised by UGC under section 2(f) & 12(B) of the UGC Act, 1956 and had accredited by NBA. JNTUHCEJ started functioning with five Under Graduate programs viz., EEE, ME, ECE, CSE & IT. And since 2011, the college is offering five Post Graduate programs viz., EPS in EEE, ED in ME, DSCE in ECE, CSE and IT.

ABHIYAAN 2020

ABHIYAAN 2020 is an authority in generating globally acclaimed technocrats. The mission behind laying the foundation is to strive in producing technically trained superior human resources to serve the present and future global needs by providing an excellent platform for interaction, knowledge sharing and talent showing.

ABOUT DEPARTMENT

The Department of Mechanical Engineering came into existence from the inception of the college in 2007. The department offers UG programme with intake of 60 and has been adding features in its cap every year with both curricular and non-curricular activities and has been accredited by NBA. The department started its PG program in Engineering Design in the year 2011 with an intake of 18. The department has state of art laboratories such as Engineering Workshop, Production Technology, Thermal Engineering, Heat & Mass transfer, Metrology, Machine Tools, Metallurgy & Material Science, Fluid Mechanics & Hydraulic Machinery labs and CAD/CAM labs. The faculty of the department with their rich experience in Teaching and Research, authored more than 20 text books in the areas of Mechanical Engineering. Presently, the Faculty is guiding about 20 scholars for Ph.D. in various advanced fields of Mechanical Engineering and already produced 6 PhDs. The department is imparting practical knowledge in Automobile, Refrigeration, Air conditioning and other relevant areas under Reverse Engineering centre.
