

| Department of ME | |
|-------------------------|---|
| B.Tech - IV-Year | |
| CO | Subject Name -CO Statements |
| C407: Seminar | |
| CO# | # Student will be able to |
| C407.1 | Explore the recent technical advancements correlating the fundamentals of mechanical engineering |
| C407.2 | Identify, define and formulate engineering problems through literature survey. |
| C407.3 | Identify the main objectives and define them in an appropriate way. |
| C407.4 | Communicate effectively with appropriate presentation on the defined problem. |
| C407.5 | Demonstrate the ability to describe, interpret and analyze technical issues and develop competence in presentation. |
| C407.6 | Serve as effective team member or leader to plan and complete the task within a specified resources and time. |
